SPARKLING, PLAYFUL – UNIQUE.

SOAP – The Show is a surprisingly sparkling and at the same time wonderfully humorous show sensation that inspires audiences worldwide.

At its center: the element of water – wild, playful, fascinating. With real bathtubs on stage, a unique interplay of world-class acrobatics humor, and live singing unfolds.

The show combines physical excellence with emotional depth. Audiences marvel, chuckle, laugh – and sometimes hold their breath.

SOAP always remains stylish, surprisingly sexy and absolutely unique.

The Stage

OVER 200 VENUES. A CONCEPT THAT EXCITES.

What began as an artistic experiment became an international hit show: SOAP has already captivated audiences in Sydney, Singapore, London, Berlin, and many other metropolises. The stage becomes a water world, a poetic playground for sensual images and powerful moments.

SOAP – The Show is not your usual variety production – it is an elegant bathtub show with international flair, full of energy, lightness, and a musical soundtrack always in tune with the times.
